

Our Sunday School Offers Something for Everyone! (Join us Sunday mornings at 9:45)

Early Christian Awareness

“Early Christian Awareness” (ECA) is offered Sunday morning at 9:45 for children aged 6 months through 3 years. Infants through toddlers in our nursery learn about Jesus, the Bible, nature, and many other wonderful things in creation through song, hands-on activity, and imaginative story-telling.

Children’s Sunday School

Small groups for pre-schoolers, lower, middle, and upper elementary children include opportunities for adventure, exciting stories, science experiments, arts and crafts, animated video storytelling, and active games—all combined into a faith experience that helps children discover what it means to be a disciple of Jesus Christ today. Our classes are led by experienced teachers who are committed to the Christian faith and to the children and families that they serve.

Youth Fellowship

Our youth gather for spiritual formation and fellowship on Sunday mornings at 9:45. With the support of caring sponsors, their small group discussion is based on devotional materials written by youth, for youth.

Adult Sunday School Classes

Journey — Our newest class is a vital group of singles and couples from college-age to early 30’s. During their Sunday morning gatherings, they take turns leading discussion based on the Bible and books about the Christian life. (Their current study is based on the book, “How God Takes Our Little and Makes It Much” by James W. Moore.) They also gather regularly for fellowship and devotion.

Open Door — The “Open Door” class is a diverse gathering of people of various ages, experience, and theological perspective. They use video-based curriculum to launch lively discussion about Christian faith and life. They are currently finishing up a study of “Anxious For Nothing” by Max Lucado. Later this month they will offer “Faithful: Christmas Through the Eyes of Joseph,” a new study by Adam Hamilton.

Upper Room — This active group of adults in their 40’s-60’s are at the heart of many of our ministries. They are actively engaged in mission and ministry and share lively fellowship. On Sunday mornings, they grow in faith by studying the Bible and devotional books by leading authors. This year they are journeying through “The Story: The Bible as One Continuing Story of God and His People.”

Strivers — The Strivers Class offers a strong fellowship of committed Christians in their 60’s and above. They are caring and compassionate as well as fun-loving. Several class members share responsibility for leading stimulating lessons that explore the biblical message and how to apply it to daily life. (Their study is based on the International Lesson Series.)

Victory — Joyous singing, compassionate prayer, lively fellowship, and deep devotion are all part what leads to “Victory” for this group of senior adults. Several class members share responsibility for leading stimulating lessons that explore the biblical message and how to apply it to daily life. (Their study is based on the International Lesson Series.)
